

Ninth Grade Supply List

Supplies may vary depending on section of class and tutor. Consult Tutor Instructions for each class.

- ☐ Bible (suggested NKJV or ESV) - printed copy
 - Please avoid using paraphrased translations such as *The Message*.
- ☐ Student planner/calendar for tracking assignments and due dates
- ☐ Organization system for each class's paperwork to include the following:
 - Assigned work to complete
 - Completed work to turn in
 - Important notes/handouts
 - Place to record assignments and due dates

- ☐ Pencils and erasers
- ☐ Pens
- ☐ (3-4 packs) College-ruled loose leaf notebook paper
- ☐ Graph paper
- ☐ Ruler (metric and US)
- ☐ Protractor
- ☐ Basic scientific calculator
- ☐ Book cover for hardback textbook
- ☐ Please bring two of the following to Office or Orientation
 - Containers of disinfectant wipes
- ☐ Graphing calculator (required)—

We strongly recommend a TI-84 Plus CE

- The TI-84 Plus is also adequate for the class. The color features of the CE have been helpful for students
- We will provide class-time instructions on how to use it.
- This calculator will be used regularly in Algebra 2 and Precalculus, so consider it a worthwhile investment!
- If your family prefers another brand or model, you are free to choose it, but your student will not receive instructions on its use from his/her tutor
