

D'Aulaires' Book of Greek Myths - Unit 1

Pgs. 9-28, 32, 100-101

1. Where did the Greek gods live?
 2. What were the first children of Mother Earth called?
 3. Where did Rhea hide Zeus to protect him from his father Cronus?
 4. What persuaded Prometheus to leave the Titans and join Zeus?
 5. What did Mother Earth give Hera as a wedding gift when she married Zeus?
 6. What did the nine Muses do with stories their mother told them?
-

cherished	treated with affection
descended	to go down
sickle	a tool with a curved blade attached to a short handle
